

**SO LONG AS MUSIC'S IN THE AIR**

*Music and lyrics by John Stevens 2011*

**We love good music, and we love sing-ing,  
the air is ring-ing with joyful sound.**

**From a Mon-day right through to Sun-day,  
it's al-ways fun-day when songs a-bound.**

**We can get 'blues-ey' or 'boo-gie woo-gie'  
sing 'boss-a-nova' or 'gos-pel rock'.**

**We cel-e-brate our great joy in sing-ing  
all day and night a-round the clock.**

**A war-time fav-'rite or soft slow bal-lad,  
a gentle love song or Scott-ish air.**

**Song is our joy and, our rev-el-a-tion  
there's simp-ly noth-ing to com-pare.**

**so long as mu-sic's in the air!**
