

HERE COMES THE SUN

Words and music by George Harrison, 1969. The song was released on The Beatles album Abbey Road. Harrison wrote the song while visiting the country house of his friend Eric Clapton.

Here comes the sun, Here comes the sun, and I say "It's all right"

Little darling, It's been a long cold lonely winter

Little darling, It feels like years since it's been here

Here comes the sun, Here comes the sun, and I say "It's all right"

Little darling, the smiles returning to their faces

Little darling, It feels like years since it's been here

Here comes the sun, Here comes the sun, and I say "It's all right"

RIFF

Sun, sun, sun here it comes

Sun, sun, sun here it comes

Sun, sun, sun here it comes

Sun, sun, sun here it comes

Sun, sun, sun here it comes

Little darling, I feel that ice is slowly melting

Little darling, It feels like years since it's been clear

Here comes the sun, Here comes the sun, and I say "It's all right"

Here comes the sun, Here comes the sun and say

It's all right

It's all right.
